✓ PROFILE

Dedicated and skilled Web Developer with a strong command. With a passion for crafting visually appealing and user-friendly websites, I bring a proven track record of creating engaging digital experiences.

EXPERIENCE

Junior Developer at Providing Promos

March 2024- August 2024

Developed and optimized websites for improved visibility and search engine rankings. Conducted keyword research and implemented SEO strategies to drive organic traffic and improve website conversions. Monitored website analytics to track performance and make data-driven decisions to enhance SEO efforts

FRONT-END, WORDPRESS DEVELOPER AT THE EXPERTS

June 2023- January 2024

Developed front-end architecture that improved scalability and performance of the website. Developed a secure, interactive web application with a modern front-end framework and an intuitive user interface. Optimized the front-end user interface for improved UX/UI, resulting in a 70% increase in user engagement.

WORDPRESS DEVELOPER AT CBT

July 2022 – May 2023

Developed a responsive website for a major e-commerce company that increased user engagement. Created an interactive web site using Elementor, Avada and many other builders that improved user experience. Collaborated with cross-functional teams to identify customer requirements and develop technical solutions

Operations Assistant at TCS Private LTD, 58-D1 Gulberg III

Dec 2020 to July 2022

Served as a helpful assistant to all office staff. Worked to ensure quality service and addressed and resolved all customer issues. It supported an efficient production system in a fast-paced environment by accurately processing all new orders, and delegating tasks as each order required.

EDUCATION

SOFTWARE ENGINEERING, NCBA&E, LAHORE

The Bachelor of Science in Software Engineering (BS SE) is a comprehensive four-year academic program designed to cultivate a deep understanding of software development principles and practices. This program equips students with a broad range of skills, preparing them for diverse roles in the dynamic field of software engineering.
